

LIGHT TOWER

PL40

One Tough Animal™

Model	PL40
LUMINARIES & TOWER	
Luminaries (Total Wattage)	1200 (W)
Number of Lamps	4
Type of Lamp	LED
Mast Height	7 (m)
Wind Stability	105 (km/hr)
ENGINE	
Make	Yanmar
Model	L48N5
Power @ Rated Speed	3.8(2.8) hp(kW) @ 3000
Cooling System	Air Cooled
Fuel Tank Capacity	118 (31.2) L(US gal)
Continuous Running Hours	210
ALTERNATOR	
Rating	2.2 (kVA)
Voltage	230 (V)
Frequency	50 (Hz)
RCBO	Yes
ELECTRICAL	
Battery	24V, 45Ah
DIMENSIONS	
Length	114.5(2910) in(mm)
Width	56.8(1455) in(mm)
Height	106.6(2710) in(mm)
Weight	1115.5(506) lb(kg)
Maximum Towing Speed	40(km/hr)

Features:

- Yanmar engine, low maintenance
- Industry's best lumens per watt
- 210 hours continuous operation
- 5 Amps - Power out option (When lamps off)
- 1200 watts Bobcat LEDs
- Mast and lamps can be rotated by 360 degrees
- 3 layer coated canopy for all weather conditions
- Takes less than 60 seconds to raise and lower the tower
- Rugged enclosure for dusty environment

Product improvement is a continuous goal at Bobcat. Design and specifications are subject to change without notice or obligation
